CLUE #1 – Gather Your Supplies!

Your finished card will be PORTRAIT orientation, so pay attention to the direction of your Designer Series Paper patterns.

Choose coordinating DSP patterns to make your card fun and interesting!

1. Colored Cardstock:
 - a. 4 1/4" x 5 1/2"
2. Same Colored Cardstock:
 - a. 1" x 11"
 - b. 1 1/2" x 3"
 - c. 11" x 4 1/4"
3. Designer Series Paper (DSP):
 - a. 1/2" x 4"
 - b. 4" x 5 1/4"
 - c. 2 1/4" X 4"
 - d. 2 1/4" X 4"
 - e. 1 1/4" X 4"
 - f. 1 1/4" X 4"
4. Basic White:
 - a. 2 3/4" x 4"
 - b. 1 3/8" x 2 7/8"
5. Stamps (sentiment & image needs to fit on 1 3/8" x 2 7/8" Basic White layer)
6. Ink, coloring tools if needed
7. Adhesive
8. Paper Trimmer or Simply Scored
9. Bone Folder

CLUE #2

Take the Colored Cardstock measuring 11" x 4 1/4" and score at

3", 5 1/2", 8", and 9 1/2"

Fold back and forth along the score lines, alternating mountain and valley folds to create an accordion.

Use your Bone Folder to make crisp creases.

CLUE #3

Add 4" x 5 1/4" DSP to Colored Cardstock that measures 4 1/4" x 5 1/2" with adhesive. Set aside for now.

CLUE #4

Add the Basic White layer that measures 2 3/4" x 4" to the 11" x 4 1/4" card on the last panel with adhesive.

CLUE #5

Add DSP that measures 1/2" x 4" flush on the right side of the Basic White layer that you just added with adhesive.

CLUE #6

Adhere the four remaining DSP pieces to their corresponding accordion panels of the 4 1/4" x 11" accordion card with adhesive.

CLUE #7

Close the accordion card and add adhesive to the back of the last panel of your accordion card. Center and adhere it to the 4 1/4" x 5 1/2" cardstock/DSP layer. CLUE #8

Take the 11" x 1" cardstock and wrap it around the entire closed card to create a belly band, with the seam on the front.

The seam will be hidden underneath your stamped layer.

I prefer to use Tear & Tape to secure the belly band.

CLUE #9

Stamp sentiment and image on Basic White layer that measures 1 3/8" x 2 7/8".

If you need to color your image do that now.

CLUE #10

Add the sentiment/image layer to the Colored Cardstock that measures 1 ½" x 3" with adhesive.

CLUE #11

Add the stamped layer/mat layer to the belly band with adhesive. Don't attach to the card
